And the learning continues...

### Oracle Solaris Administration
- **Oracle Solaris 11 System Administration** *(Oracle Certified Associate, Oracle Solaris 11 System Administrator)*
- **Oracle Solaris 11 Advanced System Administration** *(Oracle Certified Professional, Oracle Solaris 11 System Administrator)*
  - Shell Programming

### Oracle Solaris Basics
- **UNIX and Linux Essentials**

### Fast Track Oracle Solaris Administration
- **Oracle Solaris 11 System Administration for Experienced UNIX/Linux Administrators**

### OpenStack
- OpenStack Administration Using Oracle Solaris 11

### Data Management
- Oracle Solaris 11 ZFS Administration

### OS Virtualization
- Oracle Solaris 11 Zones Administration

### Network Virtualization
- Oracle Solaris 11 Network Administration

### System Security
- Oracle Solaris 11 Security Administration
- Achieving PCI DSS Compliance With Oracle Solaris 11

### System Tuning
- Oracle Solaris 11 Performance Management

### System Diagnostics
- Oracle Solaris 11 Fault Analysis and Troubleshooting

### Dynamic Tracing
- Oracle Solaris 11 Dynamic Tracing

### Cloud Services
- Oracle Solaris 11 Building Private Clouds

### Solaris Cluster
- Oracle Solaris Cluster 4.x Administration
- Oracle Solaris Cluster 4.x Advanced Administration

### Database
- Managing Oracle Database on Oracle Solaris 11

### Programming
- Perl Programming

### Application Development
- Oracle Solaris 11 Internals
- Developing and Deploying Applications on Oracle Solaris 11
