Oracle Certification Proctored Exam Oracle Testing Center (OTC) - Emerging

Duration: 1 Day

What you will learn

This allows for pre-registration in one non-cloud Oracle Certification Program proctored exam delivered at an Oracle University location. Not all OU locations offer certification exams; please verify that a location is accessible to you before registering.

Pearson VUE Web Account Setup Required 72 Hours Prior to Exam Appointment

Check the Oracle Certification Retirements page to ensure that your desired exam is not set to retire before you plan to take it. You can also subscribe to the Oracle Certification Blog to stay up-to-date on new and retiring exams and other announcements that affect your certification.

Existing Users

There is no required action at this time.

Simply log in to your Pearson VUE account when you arrive at the test center to access your exam.

New Users

If you're a new user, and do not yet have a Pearson VUE web account, please visit Pearson VUEand follow the steps to create your account.

Please set up your web account at least 72 hours prior to your appointment time.
